

TORO

Count on it.

Mini 8 Series Sprinklers

RESIDENTIAL & COMMERCIAL

Ideal for residential and light commercial applications, the Mini 8 provides great value and water efficiency when your landscape is too large for sprays but too small for a full-size rotor.

SIMPLICITY

Top arc indication ensures easy adjustments from 40° - 360°. Five interchangeable nozzles available.

CONVENIENCE

Part- and full-circle arcs in one sprinkler offer convenience and reduce inventory requirements. Ratcheting riser provides easy final arc adjustment.

VERSATILITY

Fills in that hard to cover 18' to 30' gap between spray heads and rotors.
